

Tischtennis-Club Berlin-Neukölln

TTC Berlin-Neukölln e.V.

The club was founded in 1951. With more than 200 members it ranks among the biggest table tennis clubs of Berlin. We promote table tennis on any level, for competitive athletes as well as for beginners. Also non-members can play with us on two days. Additionally, we offer health sports.

Both our sports halls are located in Karlgartenstraße 7 in Nord-Neukölln and are available from Monday to Friday. Each hall contains up to 12 tables. Thanks to our capacities, we can also host school sports events with high numbers of participants.

To support our members and boost their abilities, several qualified coaches share their knowlegde during training lessons.
